Land of Geologic Confluences
and Cultural Crossroads

September 10-13, 2016

NM Bureau of Geology & Mineral Resources

2016 EXHIBITOR PROSPECTUS and TERMS & CONDITIONS

This year the 53rd meeting of the American Institute of Professional Geologists National Conference is being held in the beautiful and historic city of Santa Fe, New Mexico. It's an exciting time for geologists as we are continuously challenged to work with economic resources and environmental responsibilities inherent to the profession. As always, the national conferences provide opportunities to learn from knowledgeable speakers and one another's experiences.

The 2016 meeting will be held at the Drury Plaza Hotel, September 10-13, 2016. Overall attendance is expected to reach more than 200 registrants. This conference will appeal to professionals in technical, educational, managerial, regulatory and legal disciplines. This is your opportunity to showcase your products and services to professionals locally, throughout the US, and internationally. The 2016 conference is open to all who have an interest in geoscience and its role in the economy and well being of the US and its neighbors.

The exhibit booths will be located at the Drury Plaza Hotel in a prime area for visibility and maximum exposure to a large group of professionals. Exhibit space is 10' wide, 10' deep and a 6' skirted table and two chairs will be provided. Exhibitors will also receive one complimentary meeting registration that includes a reception on Sunday, and lunches and breaks on Monday and Tuesday. Breakfast is complimentary for hotel guests. If not staying at the Drury, cost for the breakfast buffet is \$6.99+ tax.

Your company name and logo will be placed in the meeting program, on signage, and also added to AIPG's website with a link to your website. There is limited space available so reserve EARLY!
