

AMERICAN INSTITUTE OF PROFESSIONAL GEOLOGISTS

Illinois – Indiana Section

Spring 2018 Section Meeting

Date: April 25, 2018
Wednesday

Time: 6:00 – 9:00 PM

Place: The Morton Arboretum
4100 Illinois Route 53, Lisle, Illinois

~~~~~  
**Topics in International Water & Geosciences**

~~~~~  
Featuring Two Experts in their Respective Fields

Mr. Stuart Dykstra

Sr. VP / Hydrogeologist – V3 Companies

Stuart's presentation will be on the Lozandieu Hydrogeologic Investigation for tourism development on the Southwest Coast of Haiti, conducted by V3 and Northwater. He will also give us a time capsule of the progress made in exploring and developing potable water resources since V3's initial involvement in Haiti over 10 years ago.

Dr. Jeff Greenberg

Professor of Geology – Wheaton College

Dr. Greenberg will present the topic of engaging undergraduate geology majors in applied research & outreach. Examples include village outreach work for water supply and sanitation in Kosovo; Wheaton's WASTE Project (experimenting with natural wastewater sanitation); and projects using geoscience to address community development issues in Tanzania, South Africa and Haiti.

You can visit www.mortonarb.org for directions. When arriving at the Arboretum, tell the gate attendant you are attending the AIPG meeting and you will not be charged the entrance fee.

This event is free and open to the community practicing in the geological sciences in Illinois and Indiana (non-member donations are requested). A light dinner and cash bar will be provided.

Please RSVP to Craig McCammack at cmccammack@v3co.com or (630) 936-0332
