

Call for Abstracts - Student Poster Contest!!

AIPG 53rd National Conference
 Land of Geologic Confluences
 and Cultural Crossroads
 September 10-13, 2016
 Santa Fe
 New Mexico

NM Bureau of Geology & Mineral Resources

Students, you are invited to submit an abstract! Technical sessions will be held on Monday, September 12th and Tuesday, September 13th. They will consist of podium and poster presentations, and will include a student poster competition.

This year the 53rd meeting of the American Institute of Professional Geologists National Conference is being held in the beautiful and historic city of Santa Fe, New Mexico. Set aside September 10th to the 13th to attend this year's conference, "New Mexico: Land of Geologic Confluences and Cultural Crossroads". The New Mexico section is co-hosting the

event and are delighted to show off their enchanting land. It's an exciting time for geologists as we are continuously challenged to work with economic resources and environmental responsibilities inherent to the profession. As always, the national conferences provide opportunities to learn from knowledgeable speakers and one another's experiences.

How To Submit an Abstract

To have your abstract considered for a presentation or poster, please go to <http://www.aipg.org/abstract/> to submit an abstract online by **June 6, 2016**. Abstracts must be in Word format, single spaced, 12 point Times New Roman, and should not exceed one page. No tables or pictures will be accepted. You will be notified by **June 22, 2016** if your abstract has been accepted. Authors who wish to publish a paper in AIPG's "The Profes-

sional Geologist" (TPG) can contact AIPG for additional information at aipg@aipg.org.

-AIPG reserves the right to reduce the number of prizes if there is an insufficient number of qualified entries.

Call for Abstracts Important Dates

June 6, 2016 Abstracts Due
June 22, 2016 Authors Notified

Abstract Subject Areas

- Earth Science Education
- Earthquake Hazards / Seismology
- Education / Professional Standards
- Energy
- Engineering Geology
- Environmental Geology
- Geochemistry
- Geohazards
- Geology of New Mexico
- Geophysics
- Geotechnical Engineering
- Geothermal Energy
- GIS / Remote Sensing / LiDAR
- Hydraulic Fracturing
- Hydrology / Groundwater / Surface Water
- Impact Structures and Meteorites
- Mapping
- Mineralogy
- Mining / Industrial Minerals / Economic Geology
- Oil and Gas
- Other / Miscellaneous
- Paleontology
- Professional - Media Relations, Ethics, Communication
- Regional Tectonics
- Resource Development
- Rio Grande Rift
- Social Licensing
- Transportation Projects
- Volcanology
- Water Management
- Water Quality
- Water Resources
- Young Professionals
